

*For Lynne*

*As a vibrant waterfall,  
Cascading waters flow,  
In the rays of sunshine,  
Rainbow colours show.*

*Silent as the moonlight,  
Lighting up the sky,  
Twinkling stars relax her,  
Like a gentle lullaby*

*Strength she finds within her,  
To fight another day,  
Quietly she battles on,  
She truly finds a way.*

*She finds the music helps her  
Takes her to another place,  
There her dreams can be fulfilled  
And she walks in health and grace.,*

*A kind and loving spirit,  
She's so much love within,  
So proud that I have found,  
A lovely friend called Lynne*
